

Center for Substance Use Research and Related Conditions Travel Award Guidelines

Application Submission Date: April 3, 2026

Recipient(s) will be notified no later than July 1, 2026

Purpose of the Award

The purpose of this funding is to provide travel support for faculty and student affiliates of the center. Funding may be used to support faculty and student travel for the purposes of research and training activities associated with presentations at national, and international meetings, conferences, and symposia focused on substance use and related.

Travel awards are available in the **maximum amount of \$1,250.00 per academic year.**

Award Eligibility

- Faculty and students who are affiliated with the center.
- Must have accepted abstract at a national conference specific to substance use or related conditions.
- Preference is given to presentations that show collaboration between students and faculty.
- Preference is given to podium/paper presentations.

Submission Guidelines

Submit an electronic copy of the required materials as **ONE ATTACHMENT** to csurrc@ua.edu by April 3, 2026 with the subject line: CSURRC Travel Award Application. Electronic submissions are the only accepted format.

Restrictions:

- No faculty or student affiliate may receive more than one travel award per academic year.

Application Process and Requirements

To qualify for a travel award, the following items must be completed and submitted to the CSURRC director no later than 60 calendar days before the official posted start date of the conference/training:

- A completed budget detailing your expenses related to the conference.
- Written approval from your department chair in support of your travel.
- Copy of the official Call for Papers for the conference.
- Notification of acceptance
